

## Committee Volunteer Form

Each year, the Dearborn Area Board of REALTORS® is challenged to bring its membership the services, educational courses, financial, or city/state information they want and need. This is where **YOUR** help is needed. We are looking for dedicated members to help with our committees. It is our focus to have each office represented in our committee so that **all offices** have a say on how **YOUR** board is operating and to be the liaisons from DABOR to your office. We have four standing committees: Education, Finance, Legislative/RPAC and Membership Services.

**Education committee's** purpose is to provide our members with all NAR, MAR and State of Michigan's mandatory education requirements and to promote advanced educational opportunities, including specialty seminars and REALTOR designations, ie GRI, Quadrennial Training, Short Sale Seminar, Property Tax Seminar and Con-Ed.

**Finance Committee** is responsible for reviewing the budget and financial policies of the Association. The Committee recommends policies for the investment of funds and monitors monthly statements. The Finance Committee reviews requests for non-budget items, which are submitted by other Committees, for approval or disapproval.

**Legislative/RPAC Committee's** goal is to encourage members awareness and participation in legislative and political activities. Some of the activities include conducting candidate interviews at local and state levels, making recommendations for support and endorsement, raising funds and increasing awareness about the REALTORS® Political Action Committee (RPAC), and monitoring legislative issues which have a potential affect on the real estate business and private property rights.

**Membership Services'** principal goal is enhancing the REALTOR® image in the community. This is accomplished by supporting the public awareness campaign through local media, and conducting a variety of events and activities through Task Forces, such as, Special Days, Home & Garden Expo, The Big Open House, Dearborn Heights Spirit Fest, Homecoming, and more. By joining this committee, you can select one or more events to participate in.

DABOR is looking for new members for the **Grievance Committee**. The Grievance Committee gives initial consideration to both allegations of unethical conduct and requests for arbitration, then forwards for hearing before a Hearing Panel of the Professional Standards Committee all complaints that have a basis of unethical conduct. This committee ensures that all complaints are processed in an expedient manner. There is special training provided for all Grievance Committee members.

*\*The training will be held on Friday, February 4, 2011, at Four Points by Sheraton Ann Arbor from 12:00 - 4:00 pm. This half-day workshop designed to assist REALTORS® who serve on professional standards and grievance committees to gain new insights and knowledge of Professional Standards through mock hearings and classroom instruction. If interested in going to this training please contact DABOR office at 313.278.2220.*
