A safety response team available to you at the touch of a button—on call 24/7!

FORSSE is the perfect partner to help increase your safety at:

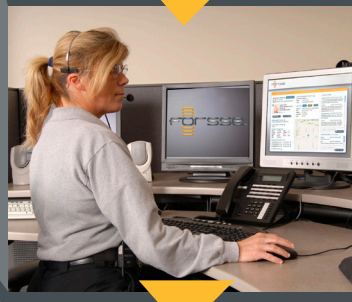

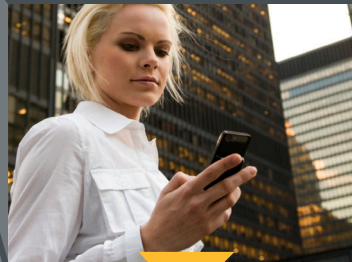

- Open Houses
- Listing Appointments
- New Client Meetings
- Floor Call Appointments
- REO Market

Launch the FOR SSE app when you feel your safety is threatened. Trigger an alert by simply touching a button.

Our experienced and well-trained monitoring team will:

- 1) **view** critical information from your personal profile
- 2) **validate** the crisis by listening to live audio recordings of the incident
- 3) **track** your location using real-time GPS information
- 4) **notify** the closest emergency response dispatch

We stay connected until your situation is resolved and you feel safe again.
